B2B Networking Lounge Activation

New feature at the SUMMIT. B2B Networking, allowing participants to connect even before the event.

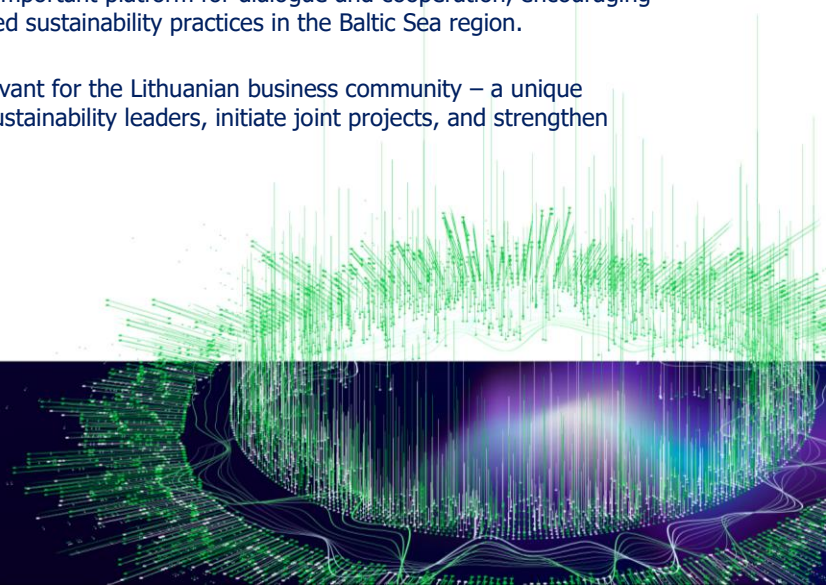

How it works?

- During registration, select YES or NO when answering: "Would you like to participate in B2B Networking?"
- By selecting YES, you agree to share your contact details with other B2B Networking participants and receive their contact information in return.
- 5 days before the event, all B2B Networking participants will receive a contact list to help them plan their meetings.
- We are keeping it simple and efficient – no new accounts, logins, or passwords required. Just the most valuable part: contacts.

ABOUT NORDIC–BALTIC SUSTAINABLE BUSINESS SUMMIT 2025

The conference is organized by the Swedish, Finnish, Norwegian, and Estonian Chambers of Commerce in Lithuania together with the Lithuanian Responsible Business Association (LAVA). This is the 12th edition of the **Nordic–Baltic Sustainable Business Summit**, bringing together sustainability leaders from Lithuania, Estonia, Finland and Scandinavia. Over the years, the conference has become an important platform for dialogue and cooperation, encouraging businesses to take responsible action and implement advanced sustainability practices in the Baltic Sea region.

For more than a decade, this event has been particularly relevant for the Lithuanian business community – a unique opportunity to learn from Estonia, Finland and Scandinavia sustainability leaders, initiate joint projects, and strengthen

competitiveness in a constantly changing market. As sustainability becomes a critical condition for long-term success, this conference ensures that Lithuanian companies keep pace with global sustainability trends.
